Re: *Petition of MCImetro Access Transmission Services, LLC and Brooks Fiber Communications of Tennessee, Inc. for Arbitration of Certain Terms and conditions of Proposed Agreement with BellSouth Telecommunications, Inc. Concerning Interconnection and Resale Under the Telecommunications Act of 1996*  
Docket No. 00-00309

Dear Mr. Waddell:

On Friday, August 4, 2000, BellSouth filed copies of deposition notices issued by BellSouth to MCI/WorldCom in connection with the Georgia arbitration proceeding, Docket No. 11901-U. This notice inadvertently directed the Authority's attention to Docket No. 99-00662 *Petition of MCI WorldCom to Enforce Interconnection Agreement with BellSouth*, as opposed to BellSouth's arbitration docket with MCI as referenced above.

The call-in number for any of the Staff who would like to participate by telephone remains the same: (630) 395-0243, access code 8389. MCI will be deposing BellSouth witnesses later this month.

We apologize for any inconvenience.

Very truly yours,

Guy M. Hicks
